

# Professional Clothes Closet

*The Professional Clothes Closet\* is a resource offered by Mansfield University Career Center, and available to all currently enrolled students. The Professional Clothes Closet can help students in their professional dress needs whether it may be for an interview, a job fair, or another event!*

## How does it work?

Students can obtain **one free** professional outfit or suit that is theirs to keep. Just simply stop by the Career Center to obtain an outfit.

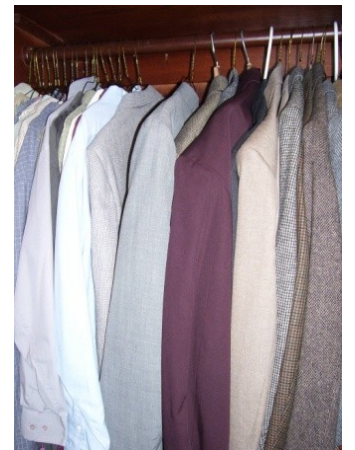

## Updates on the Professional Clothes Closet:

Recently, the Career Center has been working to attain more clothes to replenish the clothing available to students. A special thanks to Goodwill Industries of Wellsboro for donating gently used suits and professional items.

Currently, the Career Center and the operators of Santa's Gift Bag have established a partnership, to help provide students with more options of suits and sizes. If you are unable to find an outfit at the MU Career Center, you can receive a voucher to obtain **1 free** professional outfit from Santa's Gift Bag (located in downtown Mansfield on Main Street between Pump and Pantry and the former Video King).

The Career Center is always accepting donations of gently used professional clothing. These donations directly benefit students of Mansfield University, and are appreciated greatly. If you have a donation please drop it off at the Career Center during normal business hours (donations are tax deductible).

***For more information or to access the Professional Clothes Closet, visit the Career Center today!***

The Professional Clothes Closet operates during the Career Center's regular business hours.

\*All current students have access to this resource; however they can receive only **1 free outfit** over the course of their studies at Mansfield University.

\*All items have been donated; however they are all gently used, clean, and in good condition.
